

SPONGEBOB AUDITION SIDES: PLANKTON & KAREN

PLANKTON I have a new scheme, Karen! I'll make everyone love my chum burgers through the power of hypnosis!

KAREN Come on, Sheldon. It'd take forever to hypnotize the whole town.

PLANKTON Not if I can trap them all in one place!

KAREN How is that going to happen?

PLANKTON When fish are scared, they school together! So we just have to keep them scared. Then I can trap them in one place and hypnotize them in bulk!
